

Perks for Published Articles

Manufacturers team up with FAC Magazine to encourage ceramists to submit articles for publication. Published artists receive perks from the companies whose products are used to complete a piece. You are required to personally contact each manufacturer in writing, including a photocopy of the printed article, to receive any perks you may be entitled to. Please send Perk requests directly to the companies listed below. **How do you qualify for Perks?** If you would like to have your fired art pieces considered for publication, send us a photo of your latest project, along with a brief description. Send to: **FAC Editor, N7450 Aanstad Rd, PO Box 5000, Iola, WI 54945.**
